1. The Demerit Points System is district-based.
2. Under the Demerit Points System, an applicant organisation or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a co-organiser, only the applicant organisation or hirer will be served the demerit points for breaches of regulations and conditions.

5. An organisation which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organisation will also be stated in the letter.
