## Hong Kong Lutheran Social Service

Hong Kong Lutheran Social Service was established in 1977 and has since dedicated to serve the community under God's Great Commandment of "Love your neighbour as yourself". We cover a wide spectrum of services for all ages with different needs throughout Hong Kong. We promise to deliver professional and client-centred services as our commitment; serve holistic care to people in need to express our compassion; respect, accept, and love one another as a community.

## New Home Association

New Home Association is committed to helping new arrivals and ethnic minorities to integrate into the community and unleash their potentials, promoting the spirit of participation and dedication. Let everyone of us join hands together to foster social harmony and build a better future for a caring prospective Hong Kong society.
