

ABOUT DREAM CENTRE

New centre at the heart of Kowloon, in the Kowloon City Plaza (KCP). We have many facilities and an agile team to serve the ethnic minority community. We do not only serve Kowloon City but our services are open to ethnic minority communities around WHOLE Hong Kong

We are a dedicated team with team members having more than 10 years of experience in providing services to ethnic minorities.

And we are here to serve, to pave the way for the betterment of our community. To help and guide them in every step of their development path.

FACILITIES

We have plenty of facilities at our centre, designed to meet the needs of all ages, kids, youths and elderly.

With indoor activities in-mind our centre has plenty of spaces which can be used for physical activities, seminars or to host development classes.

We have a very large hall for programs that need large spaces. The hall can be also partitioned into smaller rooms for classes such as computer class and art class. There are many facilities such as the pantry, kid's room, interview room and more.

A Vacancy Search Terminal from the Labour Department is installed at the reception to access many jobs across different sectors.

WALKIN SERVICES

Walk-in services such as the health corner, the entertainment room, employment, youth counselling/guidance, referrals and facilities such as a reading/study room are readily available.

EM CARE TEAM

Our EM Care Team and social workers visited local grocery stores, restaurants and EM community exclusively to engage with the community and share information about our services.

YOUTH

6-24 years of age, includes personal and social development of the children and youth and academic support. Integration Programmes are designed for the youths to explore Hong Kong, exchange cultures, social inclusion and many community events. Trainings and classes regarding the skills, leadership and wellbeing are held in the centre and outdoor.

ELDERLY SUPPORT

To support the elderlies in the community, there are outings organized specially designed to fit their needs. Wellness activities such as the health and mental talks and workshops, mental health first-aid programmes and mutual support group.

MEDIA & COMPUTER

Designed for ethnic minority communities to develop their technology skill sets that will help in their career or personal development. There are courses designed around AI, database, websites, video editing, and graphic design.

FAMILIES AND CHILDREN

Programmes for families and children to enhance the bonding between parents and children and to spend some quality time together. These shared experiences create lasting memories and strengthen family relationships

HEALTH & WELLNESS

To enhance the bond between ethnic minorities, encourage and promote awareness of the connections between mental, emotional, and physical health while motivating participants to take a holistic approach to their well-being.

EMPLOYMENT

Encompasses a variety of activities designed to support job seekers. Key initiatives include workshops on resume and cover letters, career talks, recruitment outreach, job hunting strategies, interview preparation sessions, etc.

LANGUAGE

As one of our main services, we are offering Cantonese and English classes in different levels, and jumpstarting our Putonghua classes to help integrate ethnic Minorities into the Hong Kong community.

ORIENTATION AND FAMILIARIZATION

Orientation activities will be organised to help ethnic minority new arrivals to familiarise with public services and facilities.

MASS PROGRAM

We have mass program such as the Walkathon each year. Such mass events are joined by hundreds of participants and with multiple cultural boots, concerts and cultural dance performances.

SPORTS

There will be many sports classes for the youth, and adults such as football, cricket, basketball, badminton, swimming and water sports to develop a healthy and active lifestyle and to enhance the bonding.

CROSS-CULTURAL

To bridge the gap between ethnic minorities and the local community, these activities provide a venue for sharing skills, interests and views that are culture-specific thus leading to the appreciation of cultural diversity.
